

Dear Community Member,

We are proud and honored to announce that we will once again be hosting the Bob and Kay Johnston Memorial Scholarship Fund Golf Outing! This scholarship program honors and awards two college-bound Beaver High School graduating students who exemplify the morals, caring, compassion and characteristics of Kay & Bob. Our mission is simply to be able to continue this scholarship and grow the funds to award more and more, year after year.

In the spirit of the Scholarship Fund, the Johnston Girls, their Spouses and Families are in the process of organizing the 4th Annual Bob & Kay Johnston Memorial Scholarship Fund Golf Scramble. We couldn't be more excited to "do it all again". With over 200 golfers and guests at each past year's events, we have been continuously humbled and overwhelmed with love and support and generosity that has helped us to raise funds for our Scholarships. We are proud to have been able to contribute to several local charities and foundations as well! WE COULDN'T HAVE DONE IT WITHOUT YOU, our outing's faithful and generous sponsors, golfers and luncheon attendees!

Polish up your irons and dust off your drivers and meet us on the course on Saturday, September 14, 2024 (shotgun start at 9am, registration 8am) at Rolling Acres Golf Course. There are plenty of foursomes available but, they do go fast, so register now to join us for a day of ball-whacking fun, laughter and contributing to an amazing cause. Since its inception, the Bob and Kay Johnston Memorial Scholarship Fund has been able to award over \$10,000 to college-bound students with similar morals, community service histories and future endeavors as Kay and Bob Johnston.

Not a golfer? Never fear, there will be skins games, special on-course games, and other "golfing fun" for every level of golfer! And, with a \$50 donation, you can attend the awards luncheon (without golfing) and have opportunities to participate in the raffles, door prizes, auctions and 50/50. The attached form will provide you with information if you are interested in being a luncheon only guest at the scramble. Or, become a Friends of the Family sponsor (also in the attached pages) and bring a group of 4 luncheon only guests which includes recognition in our awards program and on all of our social media.

Can't be there on September 14th but still want to be a part of the action? Plan to be a sponsor and have your corporation, company, organization, group or family name displayed throughout our course and awards luncheon program. Remember your donation is 100% tax deductible. In the attached pages, you'll see the sponsorships that are available! We hope that you will consider one.

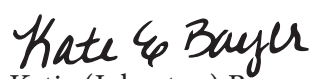

We hope that with continued love, generosity, sponsorship and collaboration of the communities we live in, we can achieve our mission successfully! We hope you can join us to get this second event to exceed our expectations and be bigger and better than our last!

Thank you in advance for your time and consideration!

Sincerely,

"The Johnston Girls"

Amy (Johnston) Noah

Katie (Johnston) Bayer

Carrie (Johnston) Ondrusek

(Golfer, Donation and Sponsorship Opportunities Attached)
